About The Authors

Our names are Andrew and Amanda. We are a couple of married elementary teachers from Minnesota and the parents of two wonderful little boys. Amanda began teaching in 2010. She has taught Kindergarten, first and second grade.

She currently teaches in the classroom half-time and spends the other half as a literacy coach working directly with teachers to improve instruction within the Literacy Collaborative Framework.

Andrew began teaching in 2012 and has taught 3rd and 5th grade. He was nominated for the 2018 Minnesota Teacher of the Year Award and currently teaches 5th grade at a STEM magnet school.

We have a passion for teaching and love coming up with resources and activities that engage students and maximize learning! Thank you so much for supporting our store! Andrew & Amanda
